Request:

In order to make this the best opportunity for learning, we'd like to solicit input from you at two levels. Please add additional pages if needed.

First:

Please communicate your recommendations for areas of training you would like to revisit, i.e., those areas of concern that you have when applying the Kolbe Wisdom in particular scenarios.

Second:

Tell us of an example of success you experienced during this last year when applying a Kolbe solution to a problem.
